How to Specify Caliper Color & Rotor Finish on the Order Form

Please use the chart to the right to specify caliper color and rotor finish on the order form. Simply add the appropriate suffix to the end of the part number.

EXAMPLE: 83-130-4600 becomes 83-130-4600-71 for red calipers and slotted rotors.

Drilled rotors are \$100 extra per pair. Yellow, blue, and gold paint is \$200 extra per pair of calipers and requires a 15% deposit.

	Slotted /	Drilled /	Slotted /	Drilled /
	No Coating	No Coating	Zinc Coating	Zinc Coating
Black Paint	51	52	53	54
Silver Paint	61	62	63	64
Red Paint	71	72	73	74
Yellow Paint	81	82	83	84
Blue Paint	21	22	23	24
Gold Paint	91	92	93	94

2 Piece AeroRotor™ DRKs (Direct Replacement Kits Fit Stock Calipers)

StopTech AeroRotor™ DRKs - Includes AeroHats, AeroRotors, and mounting hardware. Measurements are in millimeters. Prices are for a PAIR of assembled two piece rotors.

Anti-Corrosion Gold Zinc Plating - StopTech now offers an anti-corrosion gold zinc coating that is available on all AeroRotors. It is a requirement for customers who live in cold climates where snow and road salt will be commonly encountered. It is also useful for customers who would prefer not to have visible surface rust on the vanes and outer circumference of their rotors. The price for gold zinc coating is an additional \$35 per rotor. Please call for the correct part number for your application.

Replacement AeroRotor Friction Rings for StopTech BBKs & DRKs (continued)

StopTech AeroRotors™ - Includes mounting hardware. Hat (bell) not included. Measurements are in millimeters. Prices are PER rotor.

Anti-Corrosion Gold Zinc Plating - StopTech now offers an anti-corrosion gold zinc coating that is available on all AeroRotors. It is a requirement for customers who live in cold climates where snow and road salt will be commonly encountered. It is also useful for customers who would prefer not to have visible surface rust on the vanes and outer circumference of their rotors. The price for gold zinc coating is an additional \$35 per rotor. Please call for the correct part number for your application.

Replacement One Piece AeroRotors for StopTech BBKs & DRKs

One Piece AeroRotors™ - Patented directional vane design induces more convective airflow than any competitive design. Measurements are in mm. Prices are PER rotor.

Dacromet™ Coating - Included in the price of every one piece AeroRotor is Dacromet™, a state of the art corrosion inhibitor that is widely regarded as the best of its kind by top OE automotive manufacturers. Dacromet coated rotors have an attractive, matte silver appearance. Please visit our website for pictures.
